Manufacture | 7 weeks

Site Time | 5 Days

Open Front Rural Machinery Shed in Grass Patch, WA

CLIENT BRIEF

Riverback Farms needed more machinery storage space - good sized shed and strong construction to last a lifetime.

AUSPAN'S SOLUTIONS

Auspan worked with Riverback Farms to decide on a cost effective sized open front machinery shed with large bay openings to allow access for large machinery.

Features

- ▶ 16m large openings to allow access for large machinery
- ▶ Light sheets to rear gable of shed to provide natural lighting
- ▶ Large 6.75 clearance height

CASE STUDY #88

Open Front Rural Machinery Shed in Grass Patch, WA

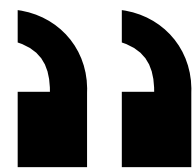

IN OUR CUSTOMER'S

OWN WORDS...

Fast turnaround from inquiry to shed quote. Competitive pricing. The shed is very strong and I like the hot dip galv columns (no rust). The shed went up in a week - no mucking around.

Paul Defrenne, Riverback Farms

IN AUSPAN'S

OWN WORDS...

Great project with large openings to suit future machinery requirements. Paul is already saying; "The only problem I have with the shed is its size - its already full!!".

Steve Richardson, Sales Consultant
